

PROFESSIONAL SUMMARY

Based at **LinkedIn's EMEA Headquarters in Dublin** within the **EMEA RIT (Regional IT) Department**, facilitating the technical backbone of a global technology ecosystem and ensuring high-stakes enterprise environments remain resilient and scalable.

Proactive Technical Support Engineer with **9+ years of experience** in hands-on technical support, infrastructure troubleshooting, and escalated problem-solving. Proficient in SaaS platforms, identity ecosystems (Okta, Azure AD), endpoint management, and automation via PowerShell, Bash, and AI/LLM tooling. Partners with engineering and product teams to deliver systemic solutions beyond immediate fixes.

PROFESSIONAL EXPERIENCE

Production Engineering & Enterprise IT Support LinkedIn EMEA HQ Dublin · EMEA RIT · HCLTech (Contract) <i>Onsite frontline IT for LinkedIn employees worldwide — Windows and macOS, hardware failures, kernel panics, network issues, and encryption recovery (BitLocker/FileVault).</i> - Manage Active Directory, Azure AD, Okta, and ESP — MFA resets, SSO failures, LDAP resets, security group provisioning via ServiceNow and Slack. - PowerShell and Autopilot/Intune (AAD) for certificates, compliance policies, and app provisioning; Workspace ONE for global fleet enrollment and policy management. - VDI support (OmniSSA/VMware Horizon) — connection rejections, certificate mismatches, and app compatibility. - Microsoft 365 hands-on support (Outlook, Teams, OneDrive, SharePoint, Excel) — sync errors, mailbox provisioning, permissions. - ServiceNow incident management with root cause analysis, documentation, and collaboration with engineering and security on escalations.	Jul 2025 – Present · Dublin · On-site
Full-Stack Application Developer & Automation Engineer Independent · AstraDesk SaaS Platform <i>End-to-end proprietary SaaS — Supabase backend, Flutter clients, Render/Cloudflare production, and full Apple release pipeline.</i> - Supabase: PostgreSQL schema, SQL migrations, RPCs, Row Level Security, Auth, Storage, and Edge Functions for documents, invoicing, e-signatures, and entitlements. - Flutter/Dart cross-platform development (iOS, macOS, Android, Web) with AI-assisted tooling (Cursor IDE, GPT-5.5, Codex, Claude Opus) and agentic workflows. - Apple ecosystem: Xcode, App Store Connect, TestFlight, and Transporter IPA distribution; Render/Cloudflare production deployment. - Stripe Enterprise billing integration; Zendesk for customer case management and JIRA for engineering ticketing as first point of contact — analyzing issues, escalating to dev teams, and educating customers on product features.	Concurrent / Ongoing

Technical Support Level II

Sep 2024 – Mar 2025 · Remote

Dropbox Sign (Contract)

Email and chat support across Dropbox's product suite — troubleshooting, customer education, and seamless end-user experiences.

- Escalated complex issues with engineering and product teams; ITIL-aligned Incident and Problem Management.
- Deep product knowledge of Dropbox, Sign, and Fax; Zendesk for case reporting, tracking, and resolution.
- Stripe Enterprise billing — subscription verification, financial/account updates, fraud detection review, and guiding customers through billing features and plan changes.
- Managed SaaS renewals, billing negotiations, and solution positioning with empathetic, retention-focused communication.

Technical Account Executive

Jun 2021 – Sep 2024 · Remote

Infosys · EE UK (Full-time)

- Supported EE UK telecommunications infrastructure; liaised with BT engineering on network ingress and downtime.
- ITIL-aligned Incident, Problem, and Change Management; analyzed feedback to reduce repeat complaints.
- Mentored new hires and improved cross-functional support workflows.

Technical Support & Customer Care

Jul – Dec 2018

Abtran (Full-time)

- First-point technical support, credit control, billing inquiries, and complaint escalation.

Technical Support Executive

Jan 2017 – Jul 2018

Concentrix · BT Broadband (Convergys)

- BT Broadband first-line support; diagnostic tools for line faults; escalations with BT engineering; ITIL-aligned case management.

Regional Sales

Nov 2014 – Jul 2016 · Ireland & UK

Gekko Group · Field Marketing

- Achieved sales targets; product education, customer relations, and daily reporting to head office.

EDUCATION

Degree in Information Technology — Quality and Qualifications Ireland (QQI)
